Conference in partnership with:

The European Biomass Association is a non-profit Brussels based international organization founded in 1990 whose mission is to develop the market for sustainable bioenergy, and ensure favorable business conditions for its members.

AEBIOM brings together 30 full members (national associations) and about 80 associated members (companies) from all over Europe thus representing about 4800 indirect members including companies, research centers and individuals.

CONFERENCE

25-26-27 JUNE 2012

RENAISSANCE BRUSSELS HOTEL

FIRST ANNOUNCEMENT

www.aebiom.org/conference2012

AEBIOM
EUROPEAN BIOMASS ASSOCIATION

The AEBIOM European Bioenergy Conference 2012 is the third edition of the growing series. The annual conference has grown ever since its first edition in 2010 and has quickly become Europe's best occasion for discussion and networking amongst important industry leaders and policy makers.

The conference returns with the same relevant and **exciting programme**, more **networking** activities, such as **B2B meetings** and organized **visits** and a new location just a few steps away from the European Parliament.

What will the programme offer?

- European Legislation: energy taxation, sustainability,...
- Biomass Supply: pellets, torrefaction, trading,...
- Sustainability criteria and certification...
- Markets opportunities: support schemes...
- Several company profile cases...
- Dinner at the EU Parliament (25 June)
- B2B meetings (26 June)
- Organized visits to bioenergy plants in Belgium (27 June)

Meet the EU decision makers and leading bioenergy companies in the high level Bioenergy Conference 2012 organized by AEBIOM in Brussels!

Focus 2012: EU legislation, sustainable feedstock supply and market opportunities.

Who should attend?

300 participants are expected, amongst which:

- Bioenergy producers (electricity, heat and advanced biofuels)
- Biomass suppliers (pellets/chips producers, traders)
- Science sector
- National policy/decision makers
- EU institutions
- Financial institutions
- Project developers
- Trade associations and consultants
- NGOs

What to expect?

- Insight on EU legislation and markets
- AEBIOM printed 2012 Statistical Report
- Proceedings on memory stick
- Plenty of new business contacts

Sponsorship Benefits

- Opportunity to meet a great number of key decision makers in the energy sector
- High brand and logo exposure in a European high quality environment
- Make your company known as a key player in the renewable energy sector
- Network with existing and new possible clients
- Be part of numerous networking activities: B2B, dinner at the European Parliament & visits

For further information and to receive full details on the **7 sponsorship packages**, please contact the conference secretariat or visit the event website.
